Mrs Lane

I saw Mr Gardner
today & learn that you
have not as yet let
your rooms. I am as
yet undecided what
to do or where to
go. But if you would
like a family abt like
mine & can take care
of them at say \$5-
per week I will request
my wife to take a 2^d
look & make necessary
arrangement. Your reply
tomorrow will oblige as
I expect to look elsewhere
on Saturday Very Respy
